

Marin County Dental Assistants Society Proudly Presents:

Topic: Updates on Sleep Apnea and Sleep Bruxism

Speaker: Jennifer Buchanan, DDS

March 6, 2025, Thursday - 3 CE

Research and data regarding what happens when we sleep has grown exponentially in the past 10 years, and our understanding of sleep bruxism has changed profoundly.

Dr. Buchanan will review and update our knowledge of Obstructive Sleep Apnea and discuss the latest understanding of Sleep Bruxism and what that means for our patient's health and well-being.

Jennifer Buchanan, DDS has dedicated the past 36 years to helping patients with TMJ and jaw pain issues. She is the go-to referral for Bay Area dentists whose patients need help diagnosing and treating jaw pain disorders.

She began the study and treatment of snoring and sleep apnea in 2007 and has completed training at the UCLA School of Dentistry in Dental Sleep Medicine. Dr. Buchanan is the director of the UCSF Center for Orofacial Pain and Dental Sleep Medicine. She is an associate clinical professor at UCSF where she enjoys teaching the next generation of dentists.
